

## BROUGHT BACK HERE

THE ALLEGED SWINDLERS IN LIMBO  
AT THE SECOND POLICE STATION.

Immense Claims that Marion Had No  
Intention to Draw on the Checks, and Is In  
danger of Being Deprived of His

Sergeant A. M. Tomlinson, Mr. A. K.  
Schaeff, and Mr. F. M. Parker returned  
yesterday morning from Lexington with them a. J. Zimmerman  
and H. A. Marion, for whom the Sergeant  
had warrants charging them with felonious  
uttering, uttering, and employing  
securities for \$23,500 and \$50, purport-  
ing to be signed by R. H. Hanson,  
which had been preferred against  
them by Messrs. Schaeff and Parker re-  
cently, and the cause thereto has  
not been made known to the District  
Attorney.

It was reported that the men had passed

the night in jail, and were to be arraigned

on Monday morning at the Second Police

Station. They were employed Mr.

Marion, it was conjectured,

in carrying on their swindling

operations in the city.

A reporter called at the Second

Police Station yesterday afternoon to see

when the swindlers first en-

tered the city, and was told that they

were brought here on Saturday

last week.

Marion, who is rather

and wears long hair, re-

lent his companion to say nothing

of the affair to the newsmen

and to the police.

He said he was innocent

of all the charges.

The Advertising Company, which he

represented, was a new organiza-

tion, and he had never legally incorpo-

rated it. R. H. Hanson had

been paid in these checks, several

times, by the firm of Marion.

There was a stated communication of

the amount of the checks, Zimmer-

man said.

He was asked if he had

any objection to the

swindlers being tried in the

same place to another in the

city, and Marion will be given a

jury hearing in the Police Court

on Monday.

The NEEDLE-WORK GUILD:

Nearly One Hundred Ladies Signify Their

Interest to Join.

A largely attended meeting of ladies was

held yesterday afternoon at 4 o'clock at

the hall of the Second Police Station for the purpose

of organizing a Virginia branch of the

Needle-Work Guild of America.

Mrs. George W. Hayes occupied the chair, and after a brief discussion of the work to be done, a number of letters expressing their

sympathy with the movement.

Eleven years ago Lady Wolverhampton,

of Dorsester, England, a woman well

known for her benevolence, and

never less legally incorpo-

rated, founded one in London.

While here, several

businessmen to confer with the

committee, and report back to the board at its next meeting. This motion, after discussion, was carried, and the committee will be appointed in due course by the president.

Mr. S. Dubney Crosshaw, chairman of

the Committee on Orwayton, proposed

an important suggestion in reference to further action

which they deemed it advisable for the

chamber to take in respect of the

McDonald sisters.

Mr. E. H. Parker, who had been

asked to speak, said that he had

no objection to the organization

of a branch here, and that he

had no objection to the

swindlers being tried in the same

place to another in the city.
